Thank you for setting up and down the venue every day.
We enjoyed delicious coffee, local sweets and lunch boxes.

1. From which journal should we publish our collection of papers?
 - (1) Microscopy (special featured reviews)
 - (2) IJMPA (International Journal of Modern Physics A)
 - (3) Other journals

10 presenters want to submit their papers.

➔ We will mail you further information ASAP.

2. Following the previous order of events, the next CPO-12 will be held in Europe in 4 years on-site.
 - (1) The next host has not yet been decided because many board members from Europe were absent.
 - (2) The Bord members will have the monthly meeting on-line for deciding the next host.

**See you at CPO-12.
Thank you so much !**
